

Twenty Five Year Guarantee

Contract No. _____

Spray Foam Irl T/A Premier Insulations hereby guarantees subject to and in accordance with the terms and conditions of the contract quoted above:

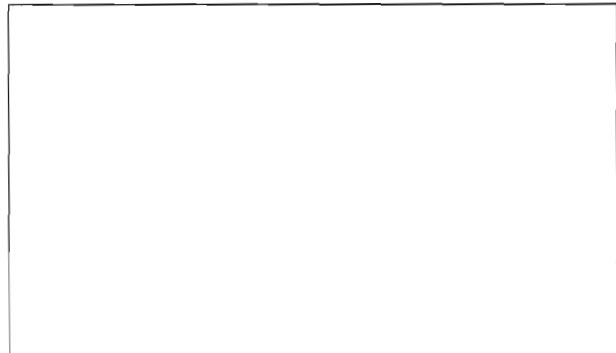

1. that its Cavity Wall Insulation has been installed in the above property to a good standard of workmanship and in accordance with the methods prescribed by the Irish Board of Agreement Certificate No. 0168 / 141
2. that the insulation will provide a permanent reduction in the rate of heat losses through the insulated walls, the thermal conductivity or k value of the insulant being not more than 0.040 W/mk:
3. that the insulation will not reduce the resistance to rain penetration of the cavity walls provided that those walls have been correctly designed and constructed in accordance with good building practice.
4. that it will rectify at its own expense any failure in performance of the insulation or of any rain penetration from the outer to the inner leaf of any insulated wall arising solely from use of defective materials or workmanship in the course of installing the insulation.

THIS GUARANTEE does not affect the Customer's Statutory or Common Law rights and may be assigned to a subsequent purchaser of the property and in that event the Guarantee will remain subject to the same terms and conditions as originally applied, a copy of which is available on request.

THIS GUARANTEE is applicable to insulation contracts which have been issued by and in the name of Sprayfoam Irl Ltd, and is not valid unless it bears the Sprayfoam Irl Ltd's official stamp.
